Principal's Message

Hello JW families!

We are so proud of our students' performances at the Winter Concert this week. They were amazing! The kids looked so good and did such a fantastic job. A big thank you to Ms. Kreil, our music teacher, for coordinating such a wonderful performance!

A big thank you to our School Council who organized the Christmas Market for our students and their families.

We want to wish all of our Joseph Welsh families the very best as we head into the holiday season. This time is all about family, and I hope that you all get an opportunity to spend precious time with family and friends. All the best for 2025!

Principal, Joseph Welsh

Library News

Looking ahead to the New Year!

Please have a look at home for any library books. We have some students who spend time at different houses, and sometimes books get forgotten between homes. We want to ensure that every student has the opportunity to take home books, but we do need to make sure they come back.

If there are overdue books, a notice will be going home in the first of January so you can track them down.

Thank you,
Mrs McEachern
